A Member Board of the American Board of Medical Specialties (ABMS)

Policy Regarding Medical or Other Emergencies

The Board requires candidates to sit for examinations for which they have applied and/or are scheduled. The Board acknowledges that unforeseen medical or other emergencies may prevent candidates from sitting for examinations to which they have applied and/or are scheduled.

Candidates unable to sit for their scheduled examination due to an unforeseen medical or other emergency:

Candidates who are unable to sit for their scheduled examination due to an unforeseen medical or other emergency should submit a personal statement and supporting documentation of the emergency to the Board office, no later than 30 days after the date of the examination. The Board will then evaluate the documentation and determine whether the absence is excusable. In determining whether an absence is excusable, the Board will consider whether the claimed emergency could have been anticipated and/or foreseen prior to the examination. Candidates suffering from pre-existing and/or chronic conditions generally will not be excused for medical or other emergencies relating to such conditions. If the absence is determined excusable, the candidate's examination fee will be refunded and such candidates will be required to re-apply in order to sit for examination.
